WELCOME BACK!

We are so excited to be back in school. Thank your patience with the parking lot and the construction areas. We are full on construction as most of you found out on the first day of school. Please continue to have patience as the end results will be amazing.

Student Handbooks went out on Tuesday. Please fill out the back few pages and send them back to school with your student(s). We had a malfunction with our printer and some of the handbooks may be missing pages. If you have one of those handbooks please call the office and we will send a new one home with your student.

Front office is temporarily located on the side of the building. You will see a front entrance sign on the fence in front of the handicap parking spaces in the parking lot.

Thank you parents and students for wearing your mask in the school building. We are striving to make the school a safe and healthy environment. Thank you for keeping your social distancing bubble.

***School will get out on Friday, August 28th at 3:30 for K-8 grades.**

***NO SCHOOL on Monday, August 31st.**

***NO SCHOOL on Monday, September 7th ~ Labor Day**

***Picture day is coming September 17th. Packets will be coming home soon.**

Please check out our website at desmetpadres.org. The website has lots of information and is updated frequently.
