MEMORANDUM OF AGREEMENT BETWEEN  
DESMET SCHOOL DISTRICT ("District")  
AND THE  
DESMET EDUCATION ASSOCIATION ("Association")**

---

Given the extraordinary circumstances and challenges presented by the COVID-19 pandemic, the District and Association are entering into this Memorandum of Agreement (MOA), pursuant to which the parties agree as follows:

- 1. Term of Agreement:** This MOA shall take effect immediately upon the signature of both parties below, and shall remain in effect until June 30, 2021, unless revoked earlier by joint written agreement of the parties. Upon expiration of the term of the agreement, or upon joint written revocation by the parties, this MOA shall be of no further force and effect, and shall be removed from the CBA in the event that it has been attached thereto.
- 2. Effect on CBA and Conditions of Employment:** During the term of this MOA, this MOA modifies only those working conditions addressed herein. All provisions of the bargaining agreement not modified herein shall remain in full force and effect.
- 3. The Worksite:** The District and all teachers shall comply with all state and county health directives for maintaining workplace safety and the safety of students (e.g., social distancing, etc.) and may refer to applicable guidelines from the CDC. The District shall provide Personal Protective Equipment (PPE) necessary to conform state and/or local health directives, adequate cleaning supplies, including cleaning solutions that are shown to kill the virus, hand soap, and if available, hand sanitizer.
- 4. The Workday:** A teacher's workday shall be of a similar length to that which is considered a normal duty day for that teacher and prorated for those working part time.
- 5. Compensation and Benefits:** The District shall compensate and shall also maintain all health and other benefits for all teachers performing designated job duties through any teleworking arrangements available and approved by the District, as if those teachers are on site attending to their normal and regular duties.
- 6. Leave:**
  - A. A teacher who:
    - (a) Is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
    - (b) Has been advised by a health care provider to self-quarantine related to COVID-19;

- (c) Is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
- (d) Is caring for an individual subject to an order described in (a) or self-quarantine as described in (b); or
- (e) Has been advised by a health care provider to work from home because they are at higher than normal risk for contracting COVID-19 due to age or an underlying medical condition;

may be entitled to work remotely. The District has the sole discretion to determine whether any teleworking positions are available and to assign staff to such positions.

If a teacher is not able to telework and satisfies the conditions above, he/she is entitled to paid leave in accordance with Families First Coronavirus Response Act (FFCRA) or any subsequent federal or state legislation providing for additional paid leave days. Teachers may have access to any and all accrued sick or other leave provided under the applicable Collective Bargaining Agreement and/or district policy.

As permitted by law, the District may request medical documentation of any of the above circumstances. Approved leave taken for any reason other than the above circumstances shall be deducted from the appropriate type of leave accrued by the bargaining unit member.

B. A teacher whose child's school or childcare provider is closed or unavailable for reasons related to COVID-19 and is unable to obtain alternative childcare may be entitled to work remotely. The District has the sole discretion to determine whether any teleworking positions are available and to assign staff to such positions.

If a teacher is not able to telework and satisfies the conditions above, he/she is entitled to paid leave in accordance with Families First Coronavirus Response Act (FFCRA) or any subsequent federal or state legislation providing for additional paid leave days. Teachers may have access to any and all accrued sick or other leave provided under the applicable Collective Bargaining Agreement and/or district policy.

As permitted by law, the District may be entitled to request documentation of any of the above circumstances. Approved leave taken for any reason other than the above circumstances shall be deducted from the appropriate type of leave accrued by the bargaining unit member.

C. Should the FFCRA expire with no successor legislation providing for COVID-related leave in effect, the District agrees to continue to offer the same two categories of leave addressed in the FFCRA, under the same conditions, restraints, and qualifications set forth in the FFCRA, until expiration of the term of this agreement, or until such time as the FFCRA is renewed or similar legislation providing for COVID-related leave is enacted, whichever occurs first. Teachers that have already exhausted FFCRA leave options will not be entitled to access the leave created by

this paragraph. Should successor legislation be enacted providing for less leave than is provided by the FFCRA, the parties agree to reopen and bargain the leave provisions of this MOA.

**7. Performance of Duties:**

A. Any teacher working remotely as permitted by the District shall stay in contact with their immediate supervisor during this period of time through email and phone.

B. Whether working remotely or on site and adhering to the workday language in section 2 above, bargaining unit members are expected to work cooperatively with their grade level and/or department members to create materials for students. Teachers may be asked to plan for and implement ongoing on-line or other digital learning and services for their students. Additionally, teachers shall work with the District to maintain connectivity to students and parents from a remote work location or from their classrooms.

**8. Extra-duty/Extra-Curricular:** Absent language in an individual employment contract permitting early termination due to the cancellation of the activity, the District and teachers holding Extra Curricular contracts will determine the number of weeks for each extracurricular activity from the starting date to the conclusion of the duty. Salaries assigned to these positions will be divided by the number of weeks determined and teachers will be paid for each week of the activity during which job duties are performed. If the District or any local, state or federal official determines the extra-curricular activity must stop, the District may stop paying the extra-curricular salary attached to that/those positions.

**9. Making up lost instructional time:** The District shall follow state and federal guidelines for waivers related to COVID-19. Should the State of Montana direct school closures and/or that the District make up student instructional time, the parties shall bargain over such changes to the school calendar and/or workday.

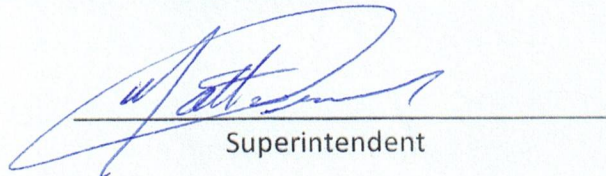

**10. State and Federal laws:** All state and federal laws, rules and regulations shall apply during this time unless specifically waived by the governing authority.

**11. Precedent:** This Agreement shall not be used as precedent or cited as practice by either the Board or the Association in any proceeding whatsoever except to enforce the terms of this Memorandum of Agreement.

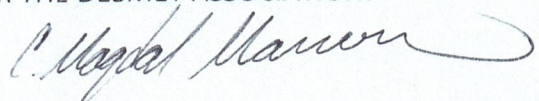

THIS AGREEMENT is signed and dated this 17 day of August 2020.
