

Sigrid Sheie School Board Candidacy letter to the community:

As a parent with a child at Desmet, I am deeply invested in the success of our schools and community, and I believe my perspective and background as an educator and business leader will be valuable in shaping the future of our district. Therefore, I am excited to announce my candidacy for the school board.

I spent over 10 years as a music educator, teaching music and piano to students of all ages and backgrounds for non profit music schools and universities. I am dedicated to ensuring all students receive a high-quality education that prepares them for success in the future.

In addition to my work in music education, I have also had a successful career as a business leader. I have honed my skills in strategic planning, achieving revenue and budget goals, and collaborative team management. I believe these skills will be valuable as we work to ensure that our district is making responsible and sustainable decisions.

I believe we can achieve responsible and sustainable growth by prioritizing the needs of our students and teachers while being mindful of our financial resources. By making strategic investments in our school, we can ensure that our students are receiving a world-class education while also being responsible stewards of taxpayer dollars.

I am committed to working collaboratively with other members of the board, the school administration, as well as with parents, teachers, and other stakeholders in the community. By listening to the needs and concerns of all the members of our community, I believe we can continue to build a strong and resilient school district.

Thank you for considering my candidacy. I am excited at the opportunity to serve as school board member and look forward to working with you to achieve our shared goals.

Sincerely,

Sigrid Sheie
