# DeSmet Public School

6355 Padre Ln. Missoula, MT 59808

<http://desmetschool.org> T: (406) 549-4994

Thank you to Governor Gianforte for visiting our school yesterday. It was very exciting to have our school spotlighted for the high achievement scores of our students and the great work of our staff. A big thank you to our community for supporting the school renovations.

Picture day was today. If your student missed having their picture taken, we will have retakes on Oct. 11<sup>th</sup>. If you forgot to send in a picture packet with your student today, you can still drop them off to the office Friday or Monday. If you have any questions, please contact the school office.

Next week is our first full week of school! School gets out at 3:30 pm every day except on Thursdays we get out at 2:30 pm.

If your 6-8 grade student(s) is planning on playing sports this year 2023/2024, please get a physical form from the school office and return to the school when completed. A sports physical must be done every new school year.

## **UPCOMING EVENTS:**
