We are thrilled to launch a new Toy Drive this year as an opportunity for our students to give back. Please see attachment for more information.

Just a reminder that per school policy students are not allowed to carry their cell phones with them at school. This includes the wrist watches. If brought to school, they must turn them into their teacher or leave them in their lockers. If you need to contact your child during the school day please call the school office.

Please make sure your student(s) dresses appropriately for the weather. All students should have an extra pair of shoes at the school, so they are not wearing their snow boots in the building all day. Coats, hats and snow pants need to have the students name or initials on them. If your student(s) need boots, gloves, a hat or coat please contact the office.

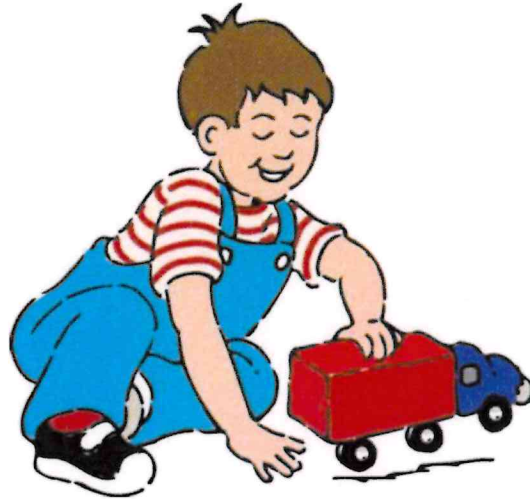

UPCOMING EVENTS:

January 15th ~ No School

- Gently used and in good condition toys

Simply drop off your donations at the front office with our friendly secretary. Every contribution, big or small, makes a meaningful impact on a child's life. Your kindness and generosity can make this toy drive a success. Help us create a community filled with joy, compassion, and support.
