No School on Monday, April 1st.

3-8 grade students will be starting SBAC (Smarter Balanced Assessment Consortium) testing next week. K1-5 grade students will be Dibels testing starting next week as well. Please have your students well rested and on time. Testing will be 8:30-12:15 every day through the month of April.

Track season will begin on April 2! Practices will be held after school Monday-Wednesday 3:30-4:45. Packets are coming home with your 5th-8th grade students who want to participate. Please return packets and sports physicals to Ms. Bloom by Friday April 5th.

Mr. Driessen would like to remind parents who are dropping off their student(s) at school in the mornings that there is not always someone on duty in the cafeteria until 7:45am. We ask that you do not drop off your child(ren) until that time.

All DeSmet parents with students who are out of district!

The state Legislature has changed the regulations regarding out of district student attendance. The Board has adopted a policy that **if you are out-of-district, every year you will need to notify the front office of your intent to return the following year, no later than April 1st.** Please see the front office if you have questions.

New incoming out of district students!

**WAX
MUSEUM**

Presented by 5th grade

The wax museum is a presentation of a notable historical figure. The students will be in a frozen "wax-like" figure until you drop a coin into their bucket. When the coin goes in, the student will come alive and state the information they have learned about their famous person. When they are done with their monologue, the student will freeze again and you can move on to another participant.

This is a **fundraiser** for future costumes and items needed for Wax Museum presentations. Please bring coins with you and join in the fun. Any denomination will activate the participants - \$0.01 to multiple coins or dollars.
