We will learn more about the 8th grade trip to DC in 2026 and how we can help your student fundraise.

Activities include:

★ Beef Raffle

★ Basketball Winter Tournaments,

Over the last weekend, students who participated cleared upwards of \$500 for the days worked in the concession stand. The total cost of each student going on the DC trip is roughly \$2500. Many students have used these fundraisers to pay for their entire trip.

To make this work, we do need parent volunteers. I would love to meet with the parents as a group to discuss how we can all help our students have their once-in-a-lifetime adventure.

I look forward to seeing you there.

Ms. Bateman
