**Mission Statement**

DeSmet Public School transforms lives through teaching, Inspiring, and nurturing

**Vision Statement**

DeSmet Public School, families, community nurture the social-emotional, physical and academic development of each child. We honor diversity and inspire students to become resilient, life-long learners and caring stewards of our ever-changing world.

**RESULTS-FOCUSED PROFESSIONAL LEARNING AND SUPPORTS FOR STAFF**

By investing in our staff, we support our Mission. We recognize that student learning depends on the quality and effectiveness of DeSmet teachers, leaders, and support professionals. We will attract talented employees at all levels; provide a safe, respectful environment for learning and work; and stimulate continuous professional growth through collegial collaboration and differentiated professional development.

If you have any questions on DeSmet's Professional Development policy or current professional focus, please feel free to contact the Professional Development Board, or visit the School Board during their regular scheduled meetings, 3<sup>rd</sup> Monday of the month at 6:00p.m. in the school library.
