## ❖ **Welcome to DeSmet School for the 2025/2026 School Year!**

❖ **We are excited to welcome all students and their families.** Over the next two weeks, you will receive a lot of important information, so please ensure that any forms requiring signatures are returned with your student(s) as soon as possible.

❖ **Please Note:** There will be no school on Monday, September 1st. Happy Labor Day!

❖ **The Boys & Girls Club** afterschool program is available for students aged 5-12. For more information, please review the attached flyer.

❖ **Attached are the August and September breakfast and lunch menus.**

❖ **Picture Day** is on September 11th. All students will have their pictures taken, even if you choose not to order a picture packet. These photos will be used for school IDs and the yearbook. Picture packets are attached; please return them to your child's teacher on picture day if you are ordering photos.

❖ **Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP).** Students and staff will be training, practicing, and drilling the protocol.  
**COMMON LANGUAGE**

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol. The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter. More information will be sent next week and though out the year.
