SUMMER CAMPS

Clay Creators Camp with Missoula Art Museum

Wheels on the Bus is thrilled to partner with the Missoula Art Museum to offer an afternoon ceramics camp that pairs with MAM's morning art camps for a full day of creative exploration. In our mobile clay studio, parked right in front of MAM, campers will explore wheel throwing, glazing, and hand-building while gaining confidence through hands-on making, inspired by visits to the Museum's current exhibitions.

Sign up for a morning camp, an afternoon camp, or both! For full-day campers, a supervised lunch break is provided between sessions by MAM's education staff. The age range for the Wheels on the Bus camp is flexible. Please email aidan@missoulaartmuseum and we will assess on a case-by-case basis.
