I might say that I was <i>enlightened</i> by my coursework in college. You might say that the assembly about fire safety at our school was <i>enlightening</i>. You gained knowledge.</p> <p>Choral Reading From Chapter 7:</p>	<p>Homeroom 8:17am - 8:30am</p> <p>Reading / Writing 8:30am - 10:15am Module 4 Lesson 33 Here Lies the Librarian Vocabulary</p> <p>schem · ing (<i>VCe, suffix</i>)</p> <p>Scheming is a verb that means making secret, often mischievous, plans. I might say that my sister and I began <i>scheming</i> to come up with a birthday surprise for our mother. The base word is the noun <i>scheme</i>. When we add <i>-ed</i> or <i>-ing</i>, we need to remember to drop the final e first,</p>

Initiate is a verb that means to let in or begin. You can *initiate* a friendship with someone. You can also be *initiated* into a team or a club. That is called an *initiation*.

sham · bles (*closed, C-le*)

Shambles is a plural noun that means a state of total disorder. I might say that sometimes our classroom is a *shambles* by the end of the day! You might say that you need to clean your room because it is in *shambles*. That means that your room is one big mess!
